Leveraging on the manufacturing and distribution strength of GP Batteries and Clipsal Industries, GP Industries has access to an extensive network spanning over 10 countries in the world.
GP Industries Limited is an international manufacturing and marketing group comprising three major businesses, namely electronics, batteries and electrical installation products.

The Company has been listed on the Mainboard of the Singapore Exchange Securities Trading Limited (“SGX-ST”) since 1995 and a component stock of the SingEquities Electronics Index (SEELEC) since December 1999. It is the main industrial investment vehicle of Hong Kong-listed Gold Peak Industries (Holdings) Limited which currently owns an 86.5%* interest in the Company. GP Industries currently holds a 47.9%* and 49.4%* interest in Singapore-listed GP Batteries International Limited and Clipsal Industries (Holdings) Limited respectively.

GP Batteries is engaged in the development, manufacture and marketing of batteries and related products whilst Clipsal Industries is principally engaged in the development, manufacture and marketing of electrical installation products. Both companies have been listed on the SGX-ST since 1991 and 1992 respectively and are component stocks of the Business Times Singapore Regional Index.

In addition to its investments in GP Batteries and Clipsal Industries, the Company is engaged in the development, manufacture and marketing of a wide range of products including electronics and components, wire harness and cables as well as acoustics.

The Group has a strong and extensive manufacturing and distribution network spanning over 10 countries, including a strong foothold in China. Excluding associates, the Group currently employs over 4,400 people and occupies a total floor area of approximately 129,000 square metres.
