GP Industries Limited is an international manufacturing and marketing group comprising three major businesses, namely electronics, electrical installation products and batteries.

The Company has been listed on the Mainboard of the Singapore Exchange Securities Trading Limited ("SGX-STR") since 1991 and a component stock of the Singularity Index (Electronic) Index since December 1999. It is the main industrial investment vehicle of Hong Kong-listed GHI Peak Industries (Holdings), limited which currently owns an 86.75% interest in the Company. GP Industries currently holds a 51.53% interest in CBI Limited ("CBI"), formerly known as Global Industries (Holdings) Limited and a 49.74% interest in GP Batteries International Limited respectively. CBI and GP Batteries have been listed on the SGX-ST since 1990 and 1991 respectively and are component stocks of the Business Times Singapore Regional Index.

CBI is principally engaged in the development, manufacture and marketing of electrical installation products. It also holds investments in light fitting products, LED street lights and other businesses. In December 2003, it formed a 50-50 joint venture with Schneider Electric SA of France. The joint venture, Global Asia Holdings Limited, manufactures and distributes electrical wiring devices and installation systems under the "CBI/SA" brand.

GP Batteries is engaged in the development, manufacture and marketing of batteries and related products.

In addition to its investments in CBI and GP Batteries, GP Industries is also engaged in the development, manufacture and marketing of a wide range of products including electronics and components, wire harness and cables as well as ceramics.

The Group has a strong and extensive manufacturing and distribution network spanning over 10 countries, including a strong foothold in China. As at 31 March 2004, the Group employs over 5,000 people and occupies a total floor area of approximately 155,000 square metres.
